HERO10 Black is one of the most versatile cameras in the game, delivering all-out speed and ultimate ease. Powered by the revolutionary GP2 processor, HERO10 Black shoots 5.3K video with higher frame rates, 23MP photos, enhanced low-light performance and game-changing HyperSmooth 4.0 video stabilization in all modes. On top of all that, HERO10 is cloud connected—so the moment you charge it, your footage is automatically uploaded to the cloud.
