

ClonerAlliance Box Pro is a standalone video capture box to record videos at 1080p and take single shot images. With the custom remote control, you can play back the recorded videos saved on the USB storage device.

Record/capture Full HD 1080p videos without PC. Play back instantly

What's more, it gives you another choice to record videos/capture on PC/MAC and a TV monitor. ClonerAlliance Box Pro supports HDMI, VGA, AV and YPbPr input signals and can record videos automatically at a scheduled time.
