

KEEP YOUR SCOPE WORKING FOR YOU

You rely on your microscope to provide you consistent service day-in and day-out. Seiler microscopes are widely regarded as some of the most reliable surgical microscopes and colposcopes available on the market today. With Seiler Technical Support, you can focus on caring for your patients while we take care of your microscope. Schedule a yearly cleaning, check-up, and calibration in one simple hour-long visit from our skilled technicians. Take the guesswork out of microscope maintenance and leave the rest to us.

With this program, your warranty extension is **included** at no additional cost. You will also receive **up to 10%** off any new purchases of Seiler microscopes or accessories. This program is available in 1 year, 3 year, and 5 year periods.

FREE CLEANING AND CALIBRATION INCLUDED

In addition to keeping your microscope in good working order, Seiler Technical Support also includes an annual clean and calibration of your microscope. This ensures your optics continue to give you the unparalleled clarity and consistency that you expect from your Seiler microscope. Seiler Technical Support will keep your microscope in your practice, where it belongs. To learn more, contact your Seiler Representative today or go to seilermedical.com!

MORE THAN A CHECK UP

This program goes beyond a yearly appointment. Should you need assistance outside of your yearly maintenance, we offer **unlimited** remote support via voice or video call and email. Our technical experts are here for you! Seiler continuously improves the software that supports our technology. Get any and all software improvements installed by our technicians.

OUR 72-HOUR GUARANTEE

Need a longer repair? Not a problem! No-charge loaner components will be provided for unscheduled service and repairs lasting longer than 72 hours. Eligible products include Seiler Alpha Air, Alpha Slim, Colposcopes, and 3D Microscopes.
